THE KITES WILL BE FLYING!!!!

All eyes will be looking upward on Saturday afternoon, April 23, 1977 from 1:00 - 4:00 pm. The Junior and Senior Classes are sponsoring a gala Kite Day on McAuley Hall's lawn. The SRC's Kite Flying event is open to the entire college community and Newport community. No matter how young or how old you are invited to try your kite flying skills. There will be three age categories: under ten years old; eleven to fifteen years old; and sixteen years old and over. Prizes will be awarded in each category for the most original kite, the longest flying kite, and the highest flying kite. Registration will begin at 1:00 pm with a 50¢ entrance fee.

The Boathouse will be open to serve refreshments. For more information contact Marybeth Scanlon, ext. 349.

SPORTS SCENE

Intramural Basketball

The finals of the Intramural Women's and Men's basketball tournament were played this past week. The teams in both leagues fought hard for the coveted trophies. The men's game was only decided in overtime. The Yaga Unlimited beat the Commuters 48-47 to capture the Intramural Men's basketball trophy.

The ~~B-Bounders~~ and the Carey Crusaders were tied at the end of the season, and therefore, it was decided to play a best out of 3 games series. The B-Bounders captured the trophy in two games: Game #1 18 to 16, Game #2 24 to 15. CONGRATULATIONS B-Bounders and Yaga Unlimited!!!

Sports Banquet

The Sports Banquet on Friday, April 29, will be an exciting event. The victorious moments of the 1976-77 sports year will pass in review as the various awards are presented. It was a great sports year at SRC, so whether you will be receiving a letter, a trophy, or any type of applause, you will still want to attend the sports banquet. The college community is invited. For more information and the purchase of a dinner ticket, contact Paul Cardoza, Mercy Hall, ext. 329.

WASHINGTON/RHODE ISLAND INTERNSHIP PROGRAM

Senator John H. Chafee, in response to many requests for an internship program, has designed a unique program for the coming summer. The following is Senator Chafee's letter describing the program:

"We have designed a unique program for this coming summer which will afford an opportunity for three students to become an integral part of my office, performing research on legislative proposals. Each intern will have the opportunity to discuss the scope and parameters of his/her project with me at the outset, followed by guidance and assistance from my legislative staff. This program will afford the intern the opportunity to make use of Washington-based facilities for background research and staff support, followed by extensive field investigation in Rhode Island. The intern will set forth the findings in a paper to be presented to me in a final 'debriefing' session.

This program will be eight weeks in duration, with approximately four weeks in Washington and four in Rhode Island. For maximum flexibility and access to my staff, there will be three starting dates: June 20-Aug. 12, July 5-Aug. 26, and July 18-Sept. 9. On the application, please indicate your preferences (1-2-3) in terms of starting dates, and indicate any you cannot attend. A stipend of \$1,200 will be awarded to each intern, from which all expenses, including travel, must be taken.

This program will be open to all students who will have completed their sophomore year in college. The enclosed application must be returned no later than April 25 even if you have already sent in a resume. An official transcript of your grades up to, but not including, the current semester must be enclosed. References will be contacted for all final candidates, and interviews may be required. Notifications will be made about May 1. John H. Chafee, United States Senator"

Any student who has completed his/her sophomore year and is interested in making application, please come to Dr. Robert McKenna's office, Ochre Court, 3rd floor and pick up an application blank.
